

**Prayer for the March for Life Charlotte**

Dear St. James Intercisus,

A great sufferer who died the agonizing death of being cut into 28 pieces, and surviving a lot of this torture before being beheaded, please be our patron for the **March for Life Charlotte** and for the unborn, who are brutally cut into pieces in the wombs of mothers and other tortuous deaths. Pray before the throne of God the Father, God the Son, and God the Holy Spirit for this evil to be eradicated throughout the world. Pray the blindness of this evil act masked under the trademark abortion will be exposed for what it really is... the murder of human persons created in the image and likeness of God. Pray that their free wills will be recognized, respected and protected in all nations and countries till the end of time. Pray for us to march in unity with true peace and true charity for all those whom we speak to or those who witness our presence on this day and all our lives. Amen.
